Product Highlights

• Digital Studio Picture Control
Thanks to a digital Noise-Reduction Circuit, you are sure to obtain the best picture quality with any kind of tape.

• Automatic Time Download
At the first installation, your VCR will automatically download the time. Your VCR will be the clock reference in your home, as the time is readjusted every day. You don't even have to worry anymore about changing from summer to winter time!

• Child Lock
Now there is no way that your children can see a movie without your permission. Just don't forget to hide the remote control!

• Follow TV
You can now automatically arrange your VCR channels in the same order as your TV.

• Direct Record
Record instantly what you see on your TV just by pressing one button. You don't have to worry anymore about selecting the right channel on your VCR.

• TURBO DRIVE
Enjoy the ease of use and the comfort of one of the fastest VCR decks in the world.

• Automatic Head Cleaning
Clean heads ensure an optimum picture quality. Each time you put a tape in your VCR, the heads will be cleaned automatically.
